I was going to see my boyfriend Cameron in Ohio, I had me best friends with me Brooklyn, Taylor, and Jack. While we were driving there was signs on the side of the road that said "turn around" or "don't go in you'll regret it" I was feeling uneasy if we would go into the town. There was red marks on the trees and the houses were abandoned. There was a gift shop, it was the only place lit up I wonder why? the car stopped I tried to turn it back on but it wouldn't when I looked up I realized that we were in front of the gift shop on the top there was a sign in big bold letters.... It read hell town gift shop.

"I'm really tired." Jack whined.

"There's nothing wrong with the tires or engine" I exclaimed.

There was nothing wrong with the car. I decided to call cameron so he could pick us up. He was on his way we all decided to wait inside the gift shop. When I walked in it felt weird it was like someone was watching us. It was completely empty. There was a couch so we decided to sit down.

"Guys this place is creepy" Brooklyn whispers getting closer to Taylor.

The tv turned on and it was only static it stopped then the words "get out or your boyfriend is dead" appears on it.

looking at the screen and what it said I started to cry "what no? don't you dare do anything to cameron" I screamed while crying I grabbed a bat that was lying next to the couch and hit the tv it fell and shattered I kept hitting it until my knuckles were bleeding because of the glass.

"STOPP Destiny you're hurting yourself" Jack screaming through his sobs.

"GUYS LETS GO!" Brooklyn hollerd.

We bolted towards the door it was locked I was scared. I started to kick the door and yell I fell to the floor and starting crying Jack took the bat and started to hit the door. But still.....nothing.....it wouldn't open.

I yelled "MOVE I need to get to CAMERON" between sobs.

I was kicking the door.....but then I saw a car pull up who was it? Was it cameron? The door opened it was him.

"Thank god"

There was a black figure at the stop getting closer and closer to Cameron. I looked closely he took out a piece of glass and headed towards cameron.

"NO.....NO cameron TURN AROUND, NO cameron!" I screeched while we all tried to warn him. Cameron kept walking getting closer the man right behind him.

"Cameron turn around please" I begged and screamed.

The man got to Cameron and plunged the glass into his head.

"NO CAMERON PLEASE I CANT BREATHE DEAR LORD WHY..... NO I CANT LIVE WITHOUT YOU!" I screeched while sliding against the door I was crying.

I just lost everything.

The man disappeared into the pitch black. The tv came on and it read "I told you" and it had blood on the screen. I screamed picking up the shattered tv pieces and throwing them. Then the doors Burst open the icy wind hitting me. We all ran outside to Cameron who was on the ground.....dead.....he was dead. I sat by him I held him in my arms and I cried.

"Destiny are you ok" Jack whispered.

"I will be...trust me."
